NEEL Fire Protection Apparatus, INC. warrants each of its N F P A Manifold & Valves to be free of material and workmanship defects for a period

FIVE (5) YEARS FROM DATE OF DELIVERY

FROM THE ORIGINAL DATE THE UNIT IS Delivered for defects in material and workmanship when used in under normal operations.

The Customer will be responsible for any transportation or shipping cost responsible to return the parts to our plant. In the event NEEL authorizes repair or replacement at a location other than our plant, the authorization to make such repair or replacement shall be in writing from NEEL to making any repair or replacing any part,

This warranty DOES NOT apply to any parts thereof that has been improperly used, damaged by an accident or on which the serial number has been altered, defaced or removed, nor chemical damage, unauthorized alterations or repairs, non compliance to recommend maintenance, Acts of GOD, or operation beyond rated capacity.

This warranty does not include any liability for direct or indirect damages or delays resulting from said defects, as stated above.

The extent of any repair to the manifold or valves under the terms of this warranty shall be determined solely by Neel Fire Protection Apparatus, INC. or repair facility that Neel Fire Protection Apparatus, INC. has selected and approved. If any part(s) or component(s) are not covered by this warranty claim, require replacement to complete the warranty repairs, the owner will be notified of the cost of the part and additional labor cost, before proceeding with the repairs. Parts and labor will be quoted at normal industry prices and stated current labor rates.

Additional warranty time IS NOT EXTENDED DUE TO REPAIRS MADE DURING THE FIVE (5) YEAR ORIGINAL WARRANTY PERIOD. THE ORIGINAL WARRANTY PERIOD AS STATED HEREIN REMAINS IN EFFECT.

Neel Fire Protection Apparatus, INC. reserves the right to make changes in design, assembly techniques, materials used, parts and components as may deem desirable at any time. These changes DO NOT bind Neel Fire Protection Apparatus, INC. to make similar changes in previously assembled units or units assembled in the future.
